THANK YOU

$235 MILLION RAISED FOR INSPIRE 2018

Thank you so much for your commitment and support!
Thanks to you, our remarkable family of donors, we have surpassed our *Inspire 2018* campaign goal. Your generosity is supporting 17 new storeys dedicated to patient care, crucial renovations, new research and education chairs, and equipment. At $235 million and counting, every additional dollar will support urgent hospital priorities for you, your family and our shared community, ensuring the best care from Canada’s premier critical care hospital.
OUR LEADERS

So many people have helped us reach this moment in St. Michael’s history.
TO OUR VALUED DONORS

It’s time for a celebration! On April 17, 2015, shovels in hand, we joined provincial Health Minister Dr. Eric Hoskins and members of our St. Michael’s family to officially break ground for the hospital-wide transformation that is Inspire 2018. It is amazing what a difference a short year makes. Now, the foundation has been poured and a crane that towers over the hospital operates daily. It’s exciting to see the progress of the building rising out of the ground. We accomplished this together with you, our donors and friends, and this moment of celebration belongs to you.

So many people have helped us reach this moment in St. Michael’s history.

Most of all, we are grateful to you, our donors, for your generous support. Your contribution to Inspire 2018 is making our future come true. Because of you, we didn’t just meet our campaign target of $210 million, we surpassed it. We raised an amazing $235 million! Your commitment means we are well placed to meet the challenge of increasing demand for services while continuing to deliver the first-class compassionate care you have come to expect at this hospital. Your support will transform care throughout St. Michael’s and affirm our role as Canada’s premier critical care hospital.

We are also appreciative of the approval for the project from the Government of Ontario. This vote of confidence and financial backing in difficult times is recognition of the critical importance of our most recent evolution to grow with the city around us. Our committed volunteers, led by our Inspire 2018 Campaign Co-Chairs Tony Arrell, John Cassaday and Bill Downe, along with former Co-Chair John Tory, who stepped down on becoming Mayor of Toronto, Honorary Chair Margaret McCain and our Campaign Cabinet have, on top of their busy lives, made it a priority to give time to our cause and enlist other supporters. Through this work you have demonstrated again how strongly you believe in St. Michael’s, our work and our mission. We appreciate your contribution.

In the pages that follow, you will find highlights of the past year, stories of patient care and examples of how you, our family, have helped us achieve the great success that we now celebrate. This report is one way to acknowledge what you, and all our friends, have made possible through your philanthropy. Thank you.

With deep gratitude and best wishes,

Bob Howard, M.D., MBA
President & CEO
St. Michael’s Hospital

L. Alayne Metrick, FAHP
President
St. Michael’s Foundation

Frank Techar
Chair
St. Michael’s Foundation
The pages ahead illustrate our transformation into Canada's premier critical care hospital. Because of you, our generous donors, we are positioned to perform unparalleled research, innovation and care. Government funding only goes so far so we rely on our wonderful friends to help us achieve the excellence for which St. Michael's is known.

We invite you to meet our patients, celebrate our milestones and see our future. Thank you for joining us on this journey.

*Your Care. Your Health. Your Hospital.*
Neurology/ENT Inpatient Unit
14th Floor
The St. Michael’s nurses are beyond compare; the neurologists are driving groundbreaking research. I’m very grateful for the care I’ve received over the years – thank you St. Mike’s!

LORRAYNE

Enjoying a successful career as a lifestyle journalist, Lorryne began, shockingly, to struggle. The mother of two was now exhausted, her mind cloudy. The startling diagnosis: multiple sclerosis. She was referred to St. Michael’s, known for its expertise in treating neurological issues.

If patients like Lorryne were ever to experience complications associated with MS, they will receive advanced care in our new Neurology Inpatient Unit supported by donors to Inspire 2018.
(1) The Urban Angel Golf Classic presented by Middlefield netted more than $1 million for its ninth year, co-chaired by Mike Thompson (far right) and (2) John Manning. (3) Hospital staff and grateful patients appeared in the hospital-wide Give the Gift holiday campaign underlining the importance of supporting St. Michael’s during the festive season. (4) Co-Chairs Patti Carmichael Pilon and Diane Mara of the 40th and final Squires-Hyland Trust Dinner, which recognized physicians exemplifying the practice of “The Art of Medicine.” Funds raised by The Duffer, presented by CIBC, (5) The Dodger and (6) The Giver, St. Michael’s Young Leaders’ signature events, completed their $1 million pledge to Inspire 2018. (7) A wonderful partner to the Foundation, Ella Ferris retires after 43 years of dedicated service, most recently as Executive Vice-President, Programs and Chief Nursing and Health Disciplines Executive.
Medical Imaging
3rd Floor
Thanks to Dr. Spears, Dr. Ginsberg and St. Michael’s, I was able to return to doing the charity work that I love – I even went to Honduras twice last year to volunteer! I finally have my life back.

Joanne could barely walk. When an MRI revealed a problem in her neck, she was sent to St. Michael’s for help. Neurosurgeon Dr. Julian Spears performed surgery to relieve pressure on her spinal cord. Dr. Howard Ginsberg fused several of the vertebrae along Joanne’s spine together. Now Joanne can travel with her sons and enjoy life again.

Thanks to Inspire 2018, we will have a new, expanded Medical Imaging Department to analyze problems, like Joanne’s, and help speed up treatment.
YOUR GENEROSITY

Your support makes an incredible difference. Because of your generous commitment to our hospital, we were able to transfer more than $16 million to support equipment, education and research at St. Michael’s.

Thank you for your gifts and for being part of our St. Michael’s family.

2015-2016
RAISED $39.7 MILLION

Grants to St. Michael’s

Total: $16.4 million transferred

RESEARCH: $11.7 MILLION (72%)
CAPITAL: $2.7 MILLION (16%)
OTHER PROGRAMS:
$2 MILLION (12%)

In fiscal 2015-2016, we raised $39.7 million for St. Michael’s. Generous donor gifts enabled us to support many initiatives across the hospital to a total of $16.4 million. Here are just some of the equipment and projects that you supported:

da Vinci Surgical Robot
Endowed & Term Chairs
Urology Suite
Equipment Upgrade
Li Ka Shing Centre for Data
Driven Healthcare
Transformation
Heart & Stroke Research
Centre for Urban
Health Solutions
John Beck INNOVENT Fund
Medical Day Care

Oncology Inpatient Unit
8th Floor
St. Mike’s has always been there for me. It’s the most compassionate hospital in the city of Toronto. The staff and volunteers are one-in-a-million. I hope my legacy gift inspires others to remember St. Michael’s in their will.

It was seven words, but Carole remembers them all too well: “You have a tumour in your breast.” Extremely anxious, she put her faith in St. Michael’s CIBC Breast Centre. Dr. Ralph George and his team operated successfully. Today, fully recovered, Carole has never felt luckier, enjoying nature and looking after her pets.

Thanks to our Inspire 2018 donors, the Peter Gilgan Patient Care Tower will house a larger Oncology Inpatient Unit to help people like Carole.
ST. MICHAEL’S

75,003 emergency visits
292,706 diagnostic, therapeutic & other visits
531 volunteers
483,952 ambulatory visits
463 acute adult inpatient beds
25,691 inpatient visits
1,713 nurses
BY THE NUMBERS

197 scientists & associate scientists
29,802 surgeries
779 physicians
6,174 staff
3,925 students trained
2,752 babies born

Fiscal 2014-2015 statistics
INVESTING IN THE FUTURE

This year, donor generosity enabled us to establish

The Labatt Chair in International Neurosurgical Education
The Paul Albrechtsen Professorship in Cardiac Prevention and Women’s Health
The Keenan Chair in Research Leadership
The Michael Locke Term Chair in Knowledge Translation and Rare Lung Diseases
The Professorship in Technology-Enabled Education

Many donors make gifts as investments to support quality care today and tomorrow. Chairs allow us to dedicate time to important research initiatives and attract world-class talent. Here are some examples of Chairs and Funds created through donor support:

NAMED FUNDS
The Angel Care Fund
The Elizabeth S. Barford Multiple Sclerosis Patient Comfort Fund
The Bitove Family Fellow in Neuroendovascular Therapeutics
The Bruce Family Lecture Fund
The Centennial Scholarship Fund
The Eric and Heather Donnelly Endowment Fund
The Gales/Ray Family Endowment Fund
The M. Audrey Giles Endowment Fund
The Dr. H. Patrick Higgins Memorial Scholarship Fund
The Samuel and Rose Levy Charitable Endowment Fund
The Richard Lewar Research Endowment Fund in Gastroenterology
The Dr. J.D. Loudon Memorial Library Fund
The McCain Research Fund
The Alexandra H. Milne and Brian F. Milne Endowment Fund
The Parthenia Maria Wilson Nursing Endowment Fund
The Dr. Gerald S. Wong Memorial Fund

CHAIRS AT ST. MICHAEL’S
The Brazilian Ball Endowed Research Chair in Cardiology Research – Dr. Howard Leong-Poi
The Chair in Homelessness, Housing and Health – Dr. Stephen Hwang
The Chair in Trauma Research – Dr. Sandro Rizoli
The Chair in Women’s Health
The Cystic Fibrosis Canada Term Chair in Adult Cystic Fibrosis Research – Dr. Elizabeth Tullis
The Keenan Chair in Critical Care & Respiratory Medicine – Dr. Laurent Brochard
The Keenan Chair in Medicine – Dr. Arthur Slutsky
The Keenan Chair in Surgery – Dr. R. Loch Macdonald
The Wallace and Margaret McCain Chair in Therapeutic Endoscopy
The Cara Phelan Chair in Critical Care Medicine – Dr. Andrew Baker
The Robert and Dorothy Pitts Chair in Emergency and Acute Care Medicine – Dr. Laurie Morrison
The Robert and Dorothy Pitts Term Chair in Integrated Clinical Research – Dr. Muhammad Mamdani
The Fondation Baxter and Alma Ricard Chair in Inner City Health Research – Dr. Ahmed Bayoumi
The Slight Family Term Chair in Advanced Therapeutic Endoscopy – Dr. Paul Kortan
The St. Michael’s Hospital Volunteer Association Term Chair in Nursing Research – Dr. Lianne Jeffs
The Term Chair in Cerebrovascular & Brain Tumor Surgery – Dr. Julian Spears
The Term Chair in Foot & Ankle Research – Dr. Timothy Daniels
The Term Chair in Fracture Care Research – Dr. Aaron Nauth
The Term Chair in Intersectoral Solutions for Urban Health Problems – Dr. Patricia O’Campo
The Nicole Muzzo Term Chair in Voice Disorders Research – Dr. Jennifer Anderson
The Waugh Family Chair in Multiple Sclerosis Research

Operating Rooms
5th Floor
Ryan was an engineering student just one exam away from completing his first year at the University of Toronto when he accidently walked into a moving streetcar. Critically injured, he was rushed to an operating room at St. Michael's where he was treated by neurosurgeon Dr. Loch Macdonald and his team. Now recovered, he works for a private equity firm and leads an active lifestyle – golfing, skiing and hiking.

Thanks to *Inspire 2018*, St. Michael’s will have eight state-of-the-art operating rooms to help people like Ryan who need the best care in the most timely way.

_I owe my life to St. Michael’s. I don’t want to think about what life would be like without this hospital, or if there would even be a life to talk about._
We pay tribute here to the special friends who lead by example through their wonderful generosity and deep commitment to St. Michael’s. The following lists those individuals, corporations and foundations who have given or pledged more than $500,000 over the years to help Toronto’s Urban Angel.

ST. MICHAEL’S SOCIETY

People who remembered the hospital in their wills or have made a gift of a life insurance policy, RRSP/RRIF or charitable remainder trust become members of our St. Michael’s Society. Those who made this commitment between April 1, 2015 and March 31, 2016 are listed here.

Their names have been added to our Donor Recognition Wall.

We could not have raised $235 million for these urgent needs without your generosity.

Thank you!
Thanks to our extraordinary volunteers, we have met and surpassed our goal for Inspire 2018. We are pleased and grateful that they are part of our St. Michael’s family.

*Until elected to public office.
MPP Glen Murray announces new St. Michael's capital project alongside hospital President & CEO Dr. Bob Howard and hospital Board Chair Bill Morneau.

Inspire 2018 Campaign Cabinet formed.

Inspire 2018 visual identity revealed.

The Slaight Family Foundation announces a $10 million gift to build the twice-as-large Slaight Family Emergency Department at St. Michael's.

Peter Gilgan makes a historic $30 million investment to create the Peter Gilgan Patient Care Tower. (Pictured with son Luke.)
Dr. Eric Hoskins, Minister of Health and Long-Term Care, joins St. Michael's to break ground for construction.

Element Financial announces a $15 million investment, the largest corporate gift in St. Michael's history, to create the Element Financial Atrium and Way.

Infrastructure Ontario and St. Michael's announce that Bondfield Construction has been selected to build the 17-storey Peter Gilgan Patient Care Tower.

St. Michael's thanks the Inspire 2018 Campaign Cabinet for its remarkable contribution to create Canada's premier critical care hospital.
CELEBRATING SUCCESS

Our most sincere thanks and gratitude to the more than 2,800 donors in our wonderful St. Michael’s family who have made *Inspire 2018* such a success!

$235 MILLION RAISED!

Thank you all – we could not have done it without you.
Donald & Nita Reed
Ophthalmology Centre
7th & 8th Floor, Donnelly Wing
Dr. Gupta hugged me and put me at ease.
She’s a genius. I’m so grateful for my care at St. Michael’s.

SHEILAGH

New Year’s Day. Already suffering from glaucoma, Sheilagh’s left eye was swollen shut with a terrible infection. Sheilagh feared she would go blind. Returning to St. Michael’s, she saw Dr. Neeru Gupta, who did a novel procedure to preserve her sight. Now Sheilagh can continue to enjoy reading to her grandson Nolan.

Through Inspire 2018, St. Michael’s will create the new Donald and Nita Reed Ophthalmology Centre to provide the best vision care to patients like Sheilagh.
(1) **Drs. Jennifer Beck** and **Doug Campbell**, grand-prize winners of our inaugural **Angels' Den** research showcase and (2) event judges and Co-Chairs **John Hunkin** and **Gwen Harvey**. (3) The fall **Urban Angel** was honoured with the 2015 Health Care Public Relations Association Award for External Publications and the Apex Award for Publication Excellence. (4) **Jane Humphreys** hosted the last **Donor Wall Ceremony** held in the Cardinal Carter Lobby recognizing 300 new donors. (5) At the Founders' Reception, **Inspire 2018** Co-Chair **Tony Arrell** and his wife, **Anne Arrell**, announced their $5 million commitment, which includes a Term Chair in Health Professions Teaching. (6) **Dr. Andrew Baker**, Chief of the Department of Critical Care, was the 2015 recipient of **The Spirit of Philanthropy Award**, recognizing hospital fundraising partners. (7) **Seth and Theresa Mersky** (with Frank Techar and Dr. Samir Gupta), (8) **John C. and Sally Horsfall Eaton** joined the **WB Family Foundation** and (9) **Myron and Bena Garron** as new Founders, generous friends who have contributed $1 million or more.
Renay was always healthy, until she developed respiratory issues. After a very bad asthma attack, when even her puffer provided no relief, Renay’s allergist told her she had to go to a hospital. She went to St. Michael’s Emergency Department. Five days later Renay was discharged, fully recovered and grateful to be alive.

*Inspire 2018* will create the new Geoffrey H. Wood Foundation Respirology Unit designed to meet the unique needs of patients like Renay.
(1) Gary and Donna Slaight at the official groundbreaking for the Peter Gilgan Patient Care Tower. (2) The Foundation hosted the launch of Shelley Peterson’s new novel, Jockey Girl, (pictured with husband and Board member David) proceeds benefiting our Inner City Health Program. (3) More than 130 guests, including the family of the late Lois Rae, attended our annual Commemorative Wall Ceremony, acknowledging gifts in memory of those who have died. (4) John Tory and Barbara Hackett with L. Alayne Metrick at the Tribute Dinner honouring retiring Board members. (5) The Foundation’s Planned Giving Program was featured in Zoomer magazine, highlighting the importance of legacy giving. (6) Peter Gilgan was honoured with the AFP Toronto’s 2015 Outstanding Philanthropist of the Year Award. (7) This year St. Michael’s launched our new Centre for Urban Health Solutions led by Dr. Stephen Hwang.
Compassionate Critical Care
St. Michael's
I was terrified. My husband was away, but thanks to St. Michael’s I didn’t feel alone – they were my family. The staff helped me to become the best mom possible. We are so grateful for the care we received then and still receive at St. Michael’s pediatric clinic.

CHARTREUSE

Seven months pregnant, Chartreuse’s blood pressure skyrocketed. She and her baby were at risk for devastating complications. Born two months early, Nolitha weighed less than one pound and needed the life-saving care that St. Michael’s Neo-natal Intensive Care Unit could offer. Now, mother and daughter happily play.

Thanks to generous donors to Inspire 2018, we will continue to provide the compassionate critical care that people like Chartreuse and Nolitha need.
We truly appreciate all gifts to St. Michael's. Generous donor support over the past year has made a remarkable difference to patient care, research and education. We thank all those listed and beyond for their generous gifts. The following lists those who have made contributions of $1,000 or more.

### Visionaries

Cardiac Intensive Care Unit
7th Floor
Each day I count my blessings – grateful for the milestone events I’m able to share with my family: I am so thankful for the care I received from Dr. David Latter and his St. Mike’s team.

Shopping in the Eaton Centre, Dorothy’s vision went blurry. Suddenly it felt like the entire weight of the building had collapsed on her chest. Rushed to St. Michael’s, surgeons performed emergency triple bypass surgery to save her life. Her husband says it was the worst day of his life. Dorothy believes it was the best – St. Michael’s gave her a second chance.

Thanks to Inspire 2018 donors, patients like Dorothy will be cared for in our state-of-the-art Cardiac Intensive Care Unit in the Peter Gilgan Patient Care Tower.
(1) The O'Reilly Wilks family hosted Malachy's Soiree in support of St. Michael's Neo-natal Intensive Care Unit. (2) The achievements of John Cassaday were recognized with his induction into the Canadian Music and Broadcast Industry Hall of Fame. (3) Dr. Patricia Houston, Vice President, Education, instrumental in shaping Inspire 2018's critical messaging, which helped to define our campaign, is moving to a new role as Vice-Dean, MD Program, at the University of Toronto. (4) The Final Piece campaign publicized the urgency and importance of all staff working together to help us reach our goal for Inspire 2018. (5) Celebrating its 13th year, the McGee-Clark Committee completed its Inspire 2018 pledge commitment to a new Oncology inpatient room in the Peter Gilgan Patient Care Tower. (6) The 13th annual Out of the Rough Golf Tournament set a new fundraising record to support St. Michael's Head Injury Clinic. (7) The spring 2016 Urban Angel magazine celebrated the successful conclusion and surpassing of our Inspire 2018 campaign target.
Orthopedic Inpatient Unit
9th Floor
I am grateful for the amazing care I got. I believe it was the best I could get anywhere. But I am more grateful for what I saw there: just how St. Mike’s makes Toronto a more compassionate, caring, inclusive and decent place.

JAIME

Last year while travelling, Jaime developed what seemed to be a harmless blister on his foot. Harmless it wasn’t. Within four days, Jaime’s doctor said he had a “limb-threatening infection.” Rushed to St. Michael’s Emergency Department, he was treated and fitted with an air-cast so he could keep active during recovery.

Jaime was fortunate. Patients who are dealing with more severe mobility issues or have had hip, knee and ankle procedures will recover in a new Orthopedic Inpatient Unit that extends into the Peter Gilgan Patient Care Tower.

St. Michael’s Foundation could not operate without the time and talents of hundreds of dedicated volunteers. On behalf of the patients, physicians and staff of St. Michael’s – thank you.

**THANK YOU**
OUR COMMITMENT TO YOU

THE PREMIER CRITICAL CARE HOSPITAL IN CANADA

Critical care means treating patients with life-threatening problems as rapidly as possible. St. Michael's is committed to saving lives when problems arise and the best care is needed – and needed urgently.

Our team of physicians, nurses and health-care professionals provides this care across a wide spectrum of life-threatening conditions including trauma, bleeding in the brain and stroke, cardiac arrest and complex heart disease, septic shock and acute respiratory failure, and more. This care requires a highly skilled and experienced interprofessional team of health-care providers as well as advanced equipment to save lives, control symptoms or provide compassionate palliative care. It requires the knowledge and judgment of how to respond to the wide range of critical illness challenges in a busy urban environment.

The resources provided by our Inspire 2018 campaign make St. Michael's the premier critical care hospital in Canada. We are best positioned to do this, given our location in the heart of the biggest city in Canada and our expertise in treating the sickest patients from across Canada's biggest province.

When seconds count, you'll want to go to St. Michael's, Canada's premier critical care hospital.
St. Michael’s Foundation
Inspired Care. Inspiring Science.
